

# Bigger and Better

4Life Transfer Factor® ReCall®

*This new, more potent formula means you receive a more powerful source of health support to promote mental acuity and overall brain function, plus it has the benefits of Targeted Transfer Factor®.*

When it comes to sharpening brain power, you can count on enthusiasm and interest from almost everyone you meet. From business professionals, students, and athletes, to moms who actively maintain the daily schedule for their families, everyone would love extra support for optimal memory, mental focus, and their ability to learn.

A consistent top-seller among 4Life's Targeted Transfer Factor® line of

products, 4Life Transfer Factor® ReCall® is formulated to give your brain the wellness support it needs. And now, this outstanding formula is even better than before!

You may have already noticed that 4Life Transfer Factor ReCall is now available in a bigger bottle. This increase in size holds a formula now fortified with 4Life's most advanced transfer factor blend—Tri-Factor® Formula. Additionally, the updated

formula contains an improved form of magnesium that is better absorbed by your body and a more potent form of *Bacopa monnieri* leaf extract, both of which are known to support brain health. Other ingredients, including vinpocetine, huperzia serrata, and ginkgo biloba, remain a part of 4Life Transfer Factor ReCall's powerful combination.

Share the bigger and better benefits of 4Life Transfer Factor ReCall with team members, as well as friends and family actively looking for an effective source of brain power support.

# 4Life Transfer Factor® ReCall®

Targeted acuity for the brain

- Supports and helps maintain healthy brain function
- Features Targeted Transfer Factor® technology
- Provides antioxidant support

## What is 4Life Transfer Factor ReCall?

4Life Transfer Factor ReCall provides unprecedented support for one of the most vital organs, the brain. This well-rounded formula provides 4Life's exclusive Targeted Transfer Factor, antioxidants, and a synergistic blend of herbal nutrients that help support and maintain brain function.

## Did You Know?

Targeted Transfer Factors are part of a revolutionary new system of support, scientifically researched and developed by 4Life, where the power of transfer factors and the combination of additional ingredients are targeted to directly benefit specific systems of your body.

### PRIMARY SUPPORT:

Brain

### SECONDARY SUPPORT:

Immune

Healthy Aging

Cardiovascular

## Key features

- Features Targeted Transfer Factor technology to provide focused support for healthy brain and nervous system function.
- Includes ingredients such as Ginkgo biloba and Vinca minor herb extract that support circulation to the brain.
- Contains transfer factors (immune messenger molecules) that help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and remember potential health threats.
- Ensures exclusivity with the protective United States patent 6,468,534 (extraction process for transfer factors from egg sources).

**DIRECTIONS:** Take three (3) capsules daily with 8 oz of fluid.
