

4Life Transfer Factor® Cardio

Targeted nutrition for cardiovascular health

- Supports healthy cardiovascular and circulatory system function
- Features Targeted Transfer Factor® technology
- Provides antioxidant support

What is 4Life Transfer Factor Cardio?

4Life Transfer Factor Cardio features 4Life's exclusive Targeted Transfer Factor technology and other ingredients specifically developed to support a healthy cardiovascular system. Along with the immune-enhancing benefits of 4Life Transfer Factor®, the combination of heart-healthy nutrients includes coenzyme Q-10, ginkgo biloba, garlic, red rice yeast extract, and others to promote healthy blood pressure, cholesterol and homocysteine levels.

Did You Know?

4Life Transfer Factor Cardio was 4Life's first Targeted Transfer Factor product. It was released at the 2002 international convention in Las Vegas, Nevada.

PRIMARY SUPPORT:

Cardiovascular

SECONDARY SUPPORT:

Immune
Antioxidant

Key features

- Features Targeted Transfer Factor technology to support healthy heart and cardiovascular function
- Includes red rice yeast¹, which contains a number of naturally occurring compounds known as monacolins. Monacolins are known to inhibit the activity of an enzyme in the liver, which is needed to produce cholesterol. This is the mechanism that allows red rice yeast extract to support healthy cholesterol and lipid levels
- Contains transfer factors (immune messenger molecules) that help educate immune cells and promote the immune system's ability to more effectively recognize, respond to, and remember
- Ensures exclusivity with protective United States patents 6,468,534 (extraction process for transfer factors from chicken egg yolk)

DIRECTIONS: Take four (4) capsules daily with 8 oz of fluid.

Supplement Facts

Serving Size: Four (4) Capsules
Servings Per Container: 30

Amount Per Serving		%DV*
Vitamin A (as β-carotene)	2,500 IU	50%
Vitamin C (as magnesium ascorbate, ascorbyl palmitate, and ascorbic acid)	200 mg	330%
Vitamin E (as d α-tocopheryl succinate)	100 IU	330%
Niacin (as niacinamide)	20 mg	100%
Vitamin B6 (as pyridoxine hydrochloride)	2 mg	100%
Folate (as folic acid)	400 mcg	200%
Vitamin B12 (as cyanocobalamin)	8 mcg	130%
Magnesium (as magnesium ascorbate, amino acid chelate)	180 mg	45%
Zinc (as zinc amino acid chelate)	10 mg	70%
Selenium (as selenium amino acid chelate)	50 mcg	70%
Copper (as copper amino acid chelate)	2 mg	100%
Potassium (as potassium citrate)	50 mg	§
Targeted Transfer Factor®	200 mg	†
A proprietary extract containing Targeted Transfer Factor from egg yolk.		
Proprietary Blend	560 mg	†
Garlic (<i>Allium sativum</i>) bulb extract		
Hawthorn (<i>Crataegus oxyacantha</i>) leaf/flower extract		
Butcher's broom (<i>Ruscus aculeatus</i>) root extract		
Red Rice Yeast (<i>Monascus pilosus</i>) extract		
Ginkgo biloba leaf extract		
Ginger (<i>Zingiber officinale</i>) root oil		
Resveratrol (from <i>Polygonum cuspidatum</i> root)		
Coenzyme Q10		

* Daily Value

† Daily Value not established

§ Contains less than 2% of this nutrient

OTHER INGREDIENTS: Gelatin capsule.

Ko

CONTAINS INGREDIENTS FROM EGG.
